

North to Mackinac

In June, six HCC couples met in West Bloomfield, MI, just outside Detroit, at Amir and Sandy Al'Naimi's home to begin a car trip to Northern Michigan. The first stop for two days was Harbor Springs, a very enjoyable resort town on Lake Michigan. The group discovered a great antique car and boat show in nearby Bay Harbor where we spent most of the day. The Al'Naimi's, our tour directors, then took us to Mackinac Island for 3 days. Mackinac Island is only reached by passenger ferry or private boat and there are no motor vehicles on the island. All transportation is by foot, bicycle or horse drawn carriage. Even the island's supplies are delivered by horse carriage. Our accommodations at the Hotel Iroquois were luxurious and thoroughly enjoyed by all. A farewell dinner at The Grand Hotel, a must-see on the island, ended the trip on a high note. Everyone found Mackinac Island to be a very enjoyable and unique place; nothing like we had seen before. Many thanks to the Al'Naimi's for organizing this wonderful event!
