

It has been 20 years since the Hatteras Classic Club was founded, bringing together owners of classic Hatteras yachts. To celebrate our anniversary year, 34 members sailed on the Celebrity Equinox for a 7-day Caribbean cruise. The activities began with a sail away cocktail party hosted by Stu and Brad on Friday evening. After boarding the ship on Saturday, Stu made arrangements for us to have a sail away reception on the Helipad at the bow of the ship. Due to inclement weather, we met at the Solarium. After dinner at spectacular restaurants on board, we gathered for the silent disco. Wow! That was certainly a fun time. The next 7 days were enjoyed visiting Puerto Rico, St. Thomas, Dominican Republic, Nassau, and 2 days at sea. Stu, once again, surprised us, with a visit to the bridge of the Equinox and a meet and greet with the Captain. This was truly exciting and a wonderful opportunity. The cruise was the ultimate in providing a relaxing event full of fun, surprises, activities, conversations, meals, and most of all *camaraderie*.
